

## School Nurse (RN) – Remote Oversight & Compliance (Contracted Position)

**Location:** Remote (Colorado-based) | **Onsite Requirement:** 2–4 times per year (Region: Montrose)

**Reports To:** Executive Director

**Status:** Contract

**Pay:** \$45-\$60/Hr

### Position Overview

Provide remote clinical oversight and ensure state compliance for the school health program. Serve as the primary clinical authority, supervising an on-site Health Technician.

### Key Responsibilities

- **Remote Oversight & Delegation:** Provide clinical supervision and "Office Hours" support for the Health Technician. Remotely review and audit daily health office logs and medication records for accuracy and compliance.
- **Compliance:** Ensure the school is 100% compliant with Colorado immunization reporting requirements.
- **Onsite Screenings (Periodic):** Travel once per semester to perform mandated Audiology (Hearing) and Vision screenings. Provide hands-on training and competency evaluations for the Health Tech.

### Qualifications

- **Licensure:** Active, unencumbered Colorado Registered Nurse (RN) License is required.
- **CDE Certification:** Must hold (or be eligible for) a Special Service Provider (SSP) License with a School Nurse endorsement from the Colorado Department of Education.
- **Education:** Bachelor of Science in Nursing (BSN) preferred.
- **Experience:** Minimum of 2 years in school nursing, pediatric care, or public health.
- **Technical Skills:** Proficiency in Infinite Campus and virtual meeting platforms (Zoom/Teams).

### Physical & Travel Requirements

Must have a reliable vehicle for travel to the school site for annual screenings. Must be able to transport portable audiometry and vision screening equipment.

### Why This Role?

- **Flexibility:** Primarily work-from-home schedule.
- **Impact:** Shape the health policy of a growing school community.
- **Support:** Focus on clinical compliance; an onsite tech handles day-to-day care.
