Student Dress

Students must dress in a manner that is safe, appropriate for school, and does not substantially disrupt the educational environment. Dress-code expectations will be applied in a viewpoint-neutral, gender-neutral, and nondiscriminatory manner. Students may choose from all dress-code options regardless of gender identity or expression.

Students must wear clothing that covers the chest, buttocks, genitals, and undergarments, except that ordinary straps and waistbands may be visible. Clothing, accessories, or grooming that materially disrupts school, creates a safety concern, or promotes alcohol, drugs, tobacco, weapons, unlawful activity, harassment, discrimination, profanity, or sexually explicit content is not permitted.

The school will not prohibit clothing, hairstyles, head coverings, or adornments worn for religious, cultural, disability-related, or racial reasons, including natural hair texture, hair type, hair length, and protective hairstyles, unless restriction is required for a specific, documented safety reason.

Dress-code concerns will be addressed privately and respectfully. When correction is necessary, students will ordinarily be allowed to adjust the clothing, change into school-provided clothing, or change into other appropriate clothing they have available. Students should not be removed from school or class unless necessary to address a safety concern, substantial disruption, or repeated refusal to comply with lawful dress-code expectations.

Graduation attire will be addressed consistent with Board policy and applicable law, including protections for recognized religious and cultural adornments.
